

March 14th E-board Minutes

Updates:

- *DNPT fashion show July 2nd
- *Proceeds from the show will be shared between DNPT & ANPA Maryland chapter
- * Theo ukpaa (Nigerian promoter) – Possible artists 2face, asha, alibaba(comedian) agreed to do the show for free. dbanj potentially?
 - We have to pay for transportation. We are currently talking to virgin Atlantic
 - Virgin Atlantic not currently willing to give free tickets, but might give discounts.

Ideas/ Things to do/Update:

- *The promoter to sign contract with artists for commitment
- *if the fashion show doesn't happen?-
 - Try to get Wale- (lolade)
 - try to get Naijaboys- (steve)
- *Transportation for artists
 - look into Arik air- new airlines
- *ANPA Needs might need help with Registration:
 - Suggestions to contact pre-med student in the Maryland area.
 - pre-meds undergrads from UGA might be available (Alex)
- *Conference schedule
 - Fashion show
 - Chief speaker- alternative path to medicine
- *Speaker
 - Philip Angwa: Father of the Internet, Great speaker.
 - Need a form to sign up.
 - To Speak on Saturday of conference
 - Steve will do some aggressive recruiting.
 - He is in Washington D.C.; Steve to talk to Dr. Gbadura? to help.

 - Back up – a Doctor who is a good speaker and already coming to conference.
- * Panel: about the match process, career path, and election.
- * Simi to get a tentative schedule from ANPA.

- *There is a Nigerian health care Foundation banquet fundraiser in New Jersey: will send e-mails to mender. We will need the list of DNPT members interested.
- *Peezy income: \$120 (10% commission), \$300+ to possible carry over from other members.
- *Aisha- PGIU: Global initiative, conference April 15th... We got accepted to go to conference.
 - possible chance to get outstanding commitment award for \$10,000.
- *New DNPT: Poland- they gave \$100 for Haiti fund relief- 17 members.

*Website updates: 2268 visits in month of february- US (most), germany, great Britain, Poland, latiga, france, **canada**, - Nigeria (least)

-Medical mission tab was most visited, followed by message board, not a lot of people using e-learning.
#1 search in e learning was colon cancer

*Simi: Update- Abstract steve submitted to Dr. Ogunyemi in California.

Deadline is today, march 14th. 4 people submitted abstract.

She will talk to lanre and try to find out when presentation will be. Suggest Saturday, and try to find a location.
